

# HIDRA HOTEL

PROJETO INTEGRADO  
MULTIDICIPLINAR

# INTRODUÇÃO

The background is a dark, almost black, space filled with intricate, glowing blue patterns. These patterns consist of numerous thin, curved lines that swirl and flow across the frame, creating a sense of dynamic movement. Interspersed among these lines are many small, bright blue dots and larger, fainter circular bokeh-like shapes, which resemble distant stars or particles in a nebula. The overall effect is a complex, ethereal, and futuristic visual texture.

WEB

A conceptual illustration of a world map composed of a grid of dots, overlaid with various white icons representing business, technology, and finance. A large, dark blue smartphone is positioned on the right side of the map. The background is a dark blue gradient with a subtle grid pattern.

The image features a vast, dense field of three-dimensional question marks. These symbols are rendered in a dark, metallic blue-grey color with a matte, slightly textured finish. They are scattered across the entire frame, creating a sense of depth and complexity. In the lower center of the image, there is a bright, glowing light source that appears to be a city skyline at sunrise or sunset, with warm orange and yellow light rays emanating from it. This light source is partially framed by the question marks, creating a focal point of hope or clarity amidst the sea of uncertainty. The overall composition is symmetrical and visually striking due to the repetition of the question mark symbol.
